A Christmas Day

2010

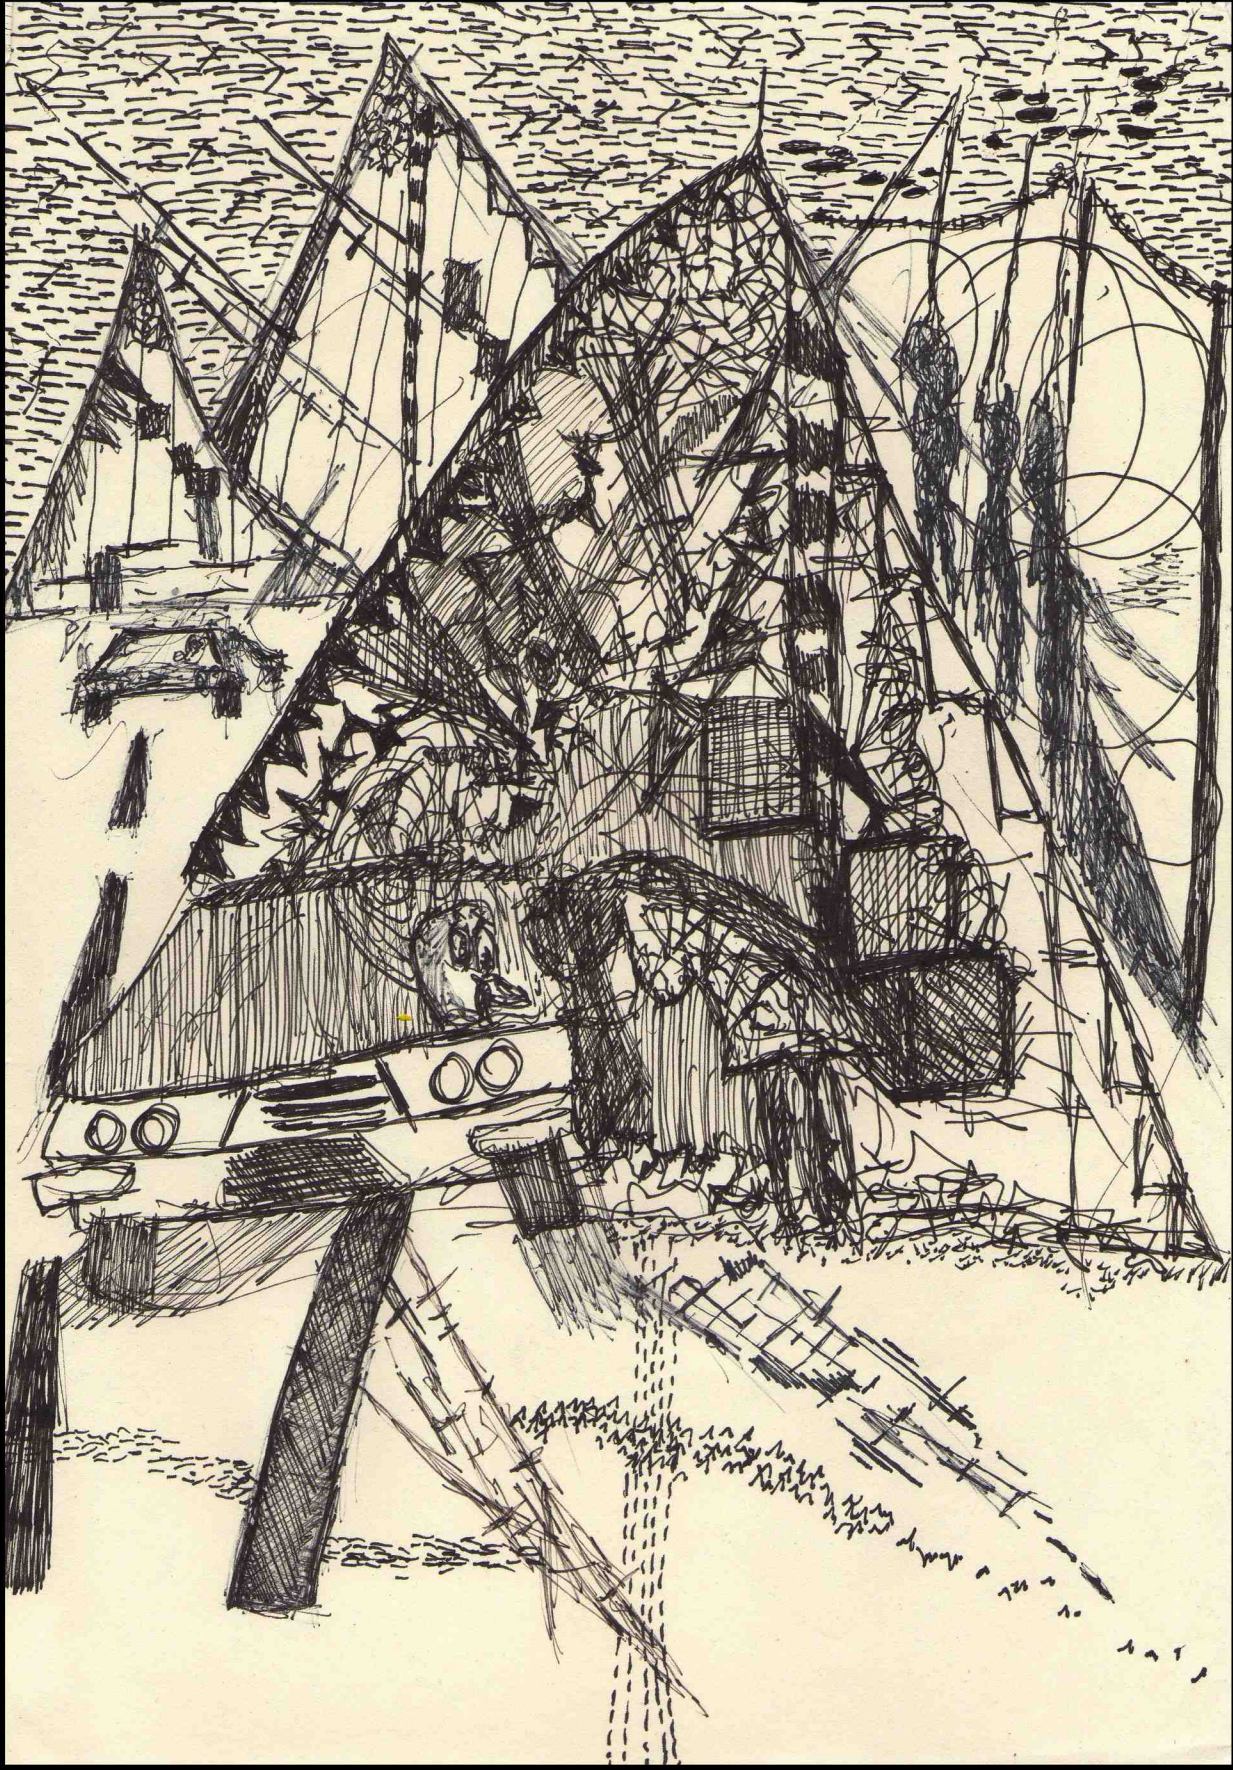

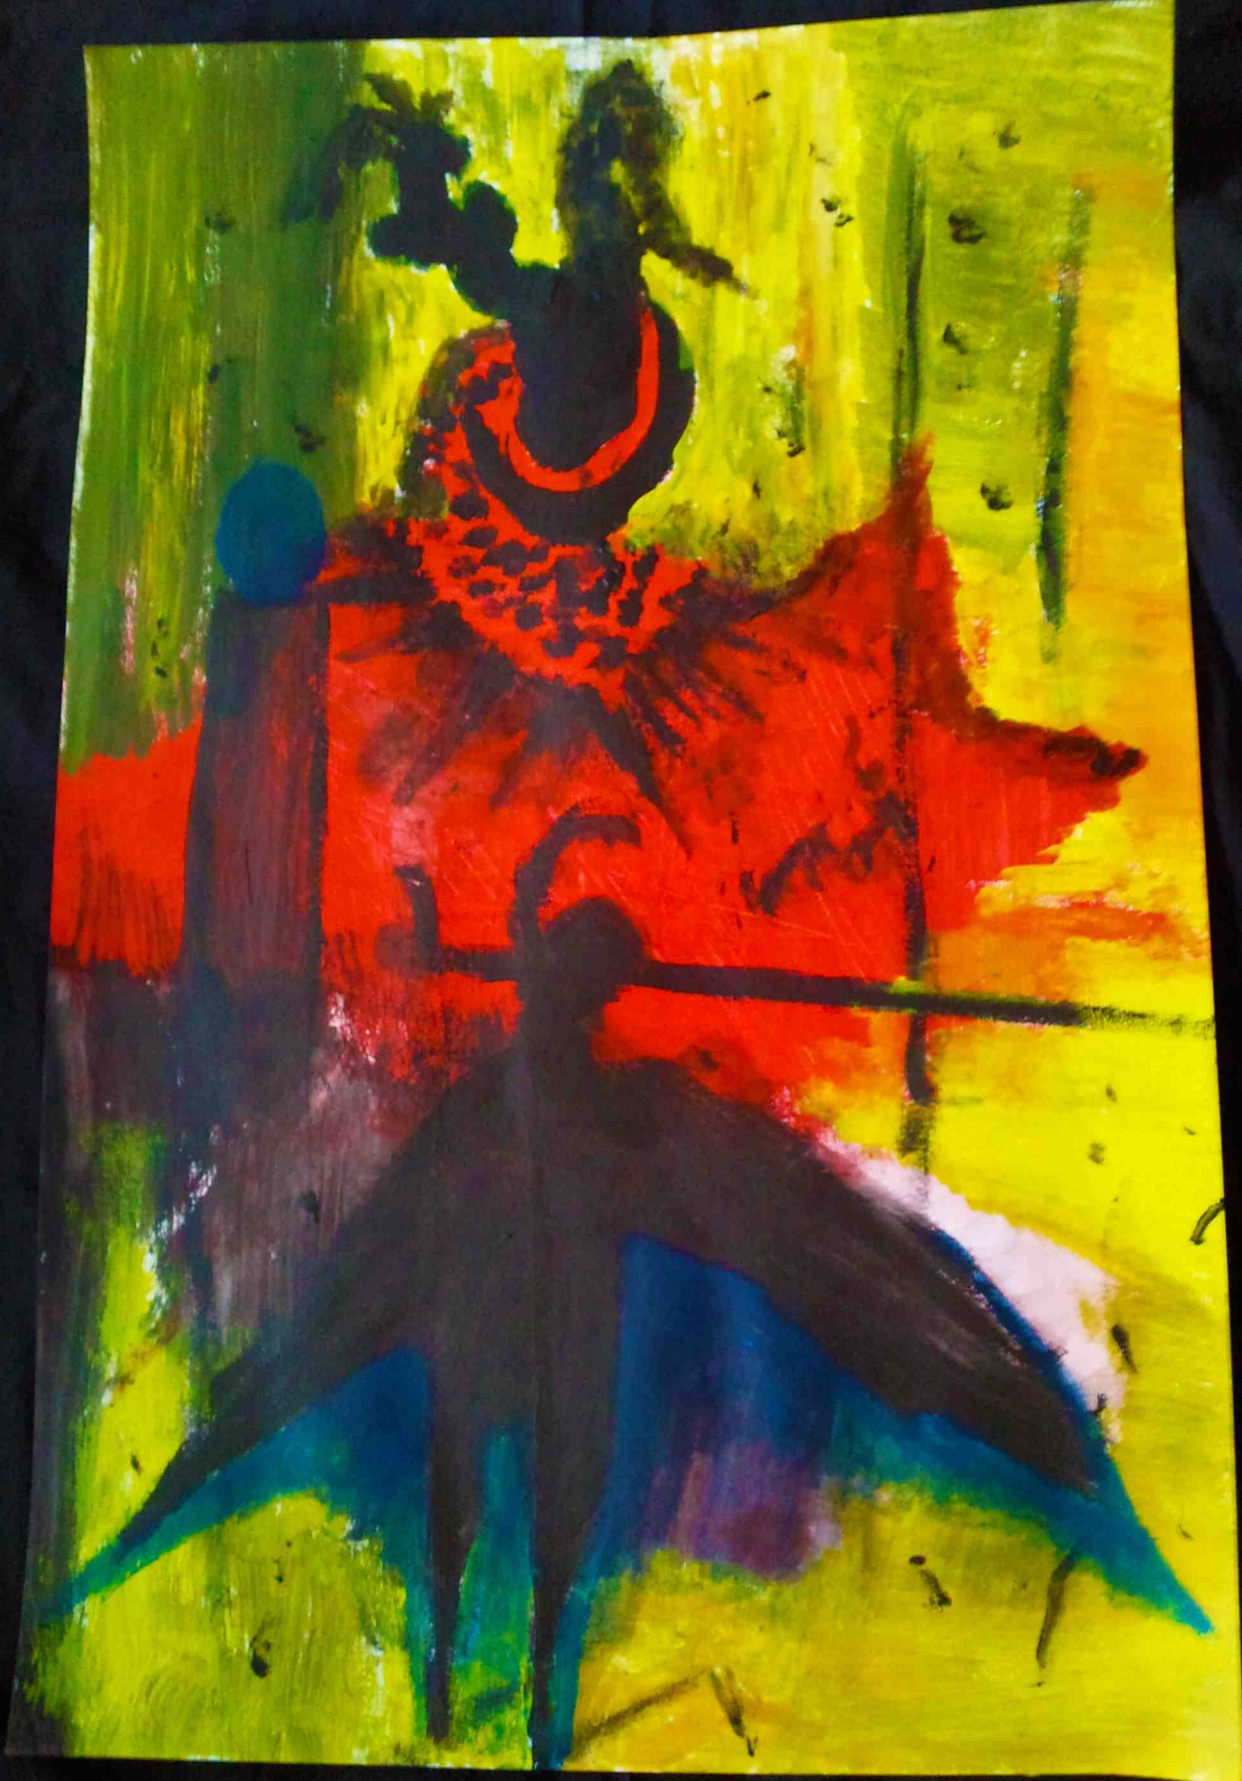

THE GIFT

When the day is over, the sun has set,
and the stars are shining in the sky,
I sit and think of all the things
that I have done, and how they
have made me who I am today.
I am grateful for every day,
for every person I have met,
for every thing I have done.
I am grateful for the gift of life,
for the gift of love, for the gift of hope,
for the gift of peace, for the gift of joy,
for the gift of all that is good and true.
I am grateful for the gift of you,
for the gift of your love, for the gift of your care,
for the gift of your friendship, for the gift of your help,
for the gift of your kindness, for the gift of your grace.
I am grateful for the gift of this world,
for the gift of this time, for the gift of this chance,
for the gift of this life, for the gift of this love,
for the gift of this peace, for the gift of this joy,
for the gift of this hope, for the gift of this faith,
for the gift of this grace, for the gift of this love.
