TI

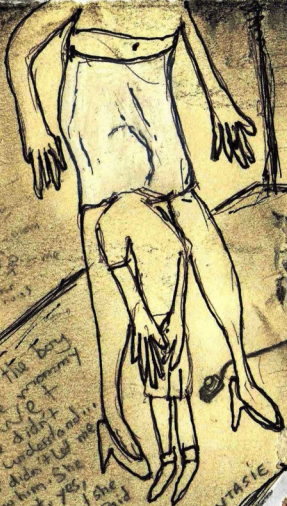

"For what secrets did epicus hung?
A strange creature shot in death
His was a confession
Of a delirium
The ravings of an immortal man
Confused with memory and nightmares
Alternate states of consciousness and comas
His is of ghosts and thought and memory,
hallucinated, implanted or otherwise
His words belong in truth but his truth may not be
ours
He bears a different sigil, and his is not of this world."
"

Bunny Maid. Sounds like a dirty party chick. Some Gampster's girl maybe. She has a large mouth, smoking cigarettes. You'll see this sort on her stomach. Very unusual. The half post food sitting. When you wonder 'if she had to remove some kind of... or maybe her stomach, folded over by some... Gampster - Bunny Maid. She looks a guy with her stomach once. Buried the head in his eye. Then his neck from... Cigarettes in his head. She's a nurse. Her finger... that's how I met her. At the clinic. She needed pen in letters.
